

5k RUN FOR THE ROSES

Saturday May 4
10 a.m.

Rescued

Special needs

Blind

Retired

Therapy minis

Wild

Love

Look what you've done to me

then...

now!!

Denali is a 35 year old retired racehorse who came to us starved, lame and neglected. After a few months under our care, she was nourished, shiny, healthy and sound.

This is the kind of work we do every day.

Join us and be a part of the 'happily ever after' for horses in need.

We help rescued, retired and recovering horses.

So can you.

This Old Horse is an organization that not only helps horses in need but also helps humans seeking an opportunity to help, who have a heart and passion for horses or who find that a relationship with horses is just what they need.

We are a community of volunteers who watch old, special needs and neglected horses transform through the care and compassion of This Old Horse--and who witness our own transformation as horse lovers and caretakers as the horses we meet and help fill a space in our soul.

Our annual **Run for the Roses Family Fun Day** features a Kentucky Derby theme and includes a **5k run**, a 4-furlong youth Stick Derby run, a market, live entertainment, an open house and a spectacular silent auction.

On Saturday, May 4, from 9:30 a.m. to 2 p.m. come and meet the beautiful horses of This Old Horse. Although we work with more than 30 different horse breeds, we will showcase our beautiful Thoroughbreds, many whom are retired racehorses. Look on the back to see the difference we made in Denali's life.

I am asking you to join me as a sponsor for our annual fundraising effort to support the work of This Old Horse, Inc., a 501c3 nonprofit sanctuary for retired, rescued and recovering horses. Our goal is to use this event to raise \$75,000 to underwrite the cost of providing hay to our herds in 2019.

Find out more about This Old Horse at www.thisoldhorse.org. To sign up as a sponsor, go to www.runforroses.org/sponsor-info.

This is an ambitious goal...because this mission is an ambitious undertaking. If you can help, we can help. Thank you.
